9. SEIAA considered the recommendations made by SEAC in its 99th meeting held on 07th, 08th, 09th, 10th and 11th December, 2022 for EC Reinstatement:

- I. **Armai Stone Mine of Sri Manish Kumar Lal,** Village : Dumardih (Armai), Teshil + Dist. : Gumla, Jharkhand (2.430 Ha).

The SEAC has examined the above mentioned project in terms of whether the said project is situated under ESZ of Palkot Wildlife Sanctuary or not and has made following recommendation:

"This mine was granted Environmental Clearance vide letter no. EC/SEIAA/2014-15/480/2014/2434, dated 30.12.2015.

Subsequently, the above EC was revoked by SEIAA vide letter no. 608, dated 04.11.2019.

The reason for revoking of EC was on the basis of letter no. 1065, dated 24.09.2019 of DFO, Wildlife Ranchi stating that the project falls under the ESZ of Palkot Wildlife Sanctuary.

The Project Authorities requested the Wildlife DFO Ranchi to re-examine the location of the site w.r.t. ESZ of Palkot Wildlife Sanctuary. SEIAA also made a similar request to DFO, Wildlife Ranchi vide letter no. 25, dated 16.01.2020 in response to the letter of request from the PAs to SEIAA.

During the re-examination of the documents it was evidenced that the lease falls under Mauza Armai which is outside of the ESZ of Palkot Wildlife Sanctuary. It was also clarified that the letter no. 1065, dated 24.09.2019 issued by DFO, Wildlife Ranchi as it was mistakenly taken that the lease was situated in Mauza Dumardih instead of Mauza Armai.

The DFO, Wildlife Ranchi vide letter no. 44, dated 15.01.2021 confirmed that the lease being located in Mauza Armai does not attract the provisions of ESZ of Palkot Wildlife Sanctuary.

The Deputy Commissioner, Gumla vide letter no. 41 / M, dated 08.11.2020 requested SEIAA to consider withdrawal of the revoking order and reinstate the EC granted to the project.

The above facts were placed before the Committee for examination.

After consideration of all the documents and facts the Committee hereby recommends withdrawal of the revoking order and reinstate the EC issued to project vide letter no. EC/SEIAA/2014-15/480/2014/2434, dated 30.12.2015".

In the light of recommendation of SEAC as mentioned above the Authority has unanimously decided to reinstate the Environmental Clearance, which was withdrawn earlier vide SEIAA letter no. : 608, dated : 04.11.2019. The decision of SEIAA in this regard will be communicated to all concerned.

10. SEIAA considered the recommendations made by SEAC in its 99th meeting held on 07th, 08th, 09th, 10th and 11th December, 2022 for delisting/withdrawal to the following projects:
